

BLACKSTONE REAL ESTATE INCOME TRUST, INC.

Charter of the Audit Committee of the Board of Directors

PURPOSE

The Audit Committee (the “Committee”) has been established by the Board of Directors (the “Board”) of Blackstone Real Estate Income Trust, Inc., a Maryland corporation (the “Company”), to assist the Board in fulfilling its responsibility to oversee the quality and integrity of the Company’s financial reporting and the audits of the financial statements of the Company by the registered public accounting firm employed by the Company for the audit of the Company’s financial statements (the “independent auditors”). The Committee’s purpose is to:

- Assist the Board’s oversight of:
 - The quality and integrity of the Company’s financial statements and internal controls;
 - The Company’s compliance with legal and regulatory requirements applicable to financial statements and accounting and financial reporting;
 - The Company’s overall risk management profile, including with respect to sustainability and climate change risks as they relate to financial risk exposures;
 - The independent auditors’ qualifications, performance and independence;
 - The performance of the Company’s internal audit function; and
 - The Company’s IT security program.
- Prepare the report of the Committee required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s proxy statement related to its annual stockholders’ meeting.

MEMBERSHIP

The Committee shall be comprised of not less than two members of the Board. Members of the Committee shall be appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier death, retirement, resignation or removal by the Board in its discretion. All of the Committee members shall be “independent” as defined in the listing standards of the New York Stock Exchange, Rule 10A-3 under the Securities Exchange Act of 1934, as amended, and the Company’s charter (each as in effect from time to time). At least one member of the Committee shall qualify as an “audit committee financial expert” as defined by the SEC, and each member of the Committee shall be financially literate (i.e., have a working familiarity with basic finance and accounting practices) or acquire such familiarity within a reasonable period after his or her appointment.

Committee members should not serve simultaneously on the audit committee of more than two other public companies (in addition to the Committee) unless the Board determines that such service will not impair the member's ability to serve on the Committee.

CHAIRPERSON

Unless the chairperson of the Committee (the "Chairperson") is elected by the Board, the members of the Committee shall designate a Chairperson by the majority vote of the full Committee membership. The Chairperson will preside over all regular sessions of the Committee. In the absence of the Chairperson, the Committee may select another member to preside.

DELEGATION TO SUBCOMMITTEE

The Committee may form subcommittees composed of one or more of its members for any purpose that the Committee deems appropriate and may delegate to such subcommittee such power and authority as the Committee deems appropriate.

DUTIES AND RESPONSIBILITIES

The Committee's responsibility is one of oversight. The Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements.

In carrying out its oversight responsibility, it is expected that the Committee will undertake one or more of the activities set forth below, in each case, as may be necessary or desirable. These activities are set forth as a guide with the understanding that the Committee may carry out its oversight responsibility in a manner that, in its discretion, it deems appropriate given the circumstances.

- Review the adequacy of the Company's internal audit function and approve the engagement of any outsourced service provider for such purpose.
- Review with the CEO and CFO the content of the certifications to be included in the Company's Form 10-K and 10-Q reports and certification process and related disclosures regarding disclosure controls and procedures and internal controls for financial reporting.
- Obtain reports from management, the Adviser, the internal audit service provider and the independent auditors, concerning the Company's compliance with applicable laws and regulations and compliance by directors, officers, employees and, where applicable, the Adviser, with the Company's Code of Business Conduct and Ethics and advise the Board with respect to policies and procedures regarding such compliance matters.
- Have the responsibility to establish procedures as required by Section 10A(m)(4) of the Exchange Act for:
 - The receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and
 - The confidential, anonymous submission by any employees of the Company (if any), the Adviser and its affiliates who perform services for the Company of concerns regarding questionable accounting or auditing matters.
- Have the responsibility to review and address any complaints submitted pursuant to its complaint procedures for accounting and auditing matters (as reflected in the Company's Whistleblower Policy), as well as any whistleblower complaints subject to Section 21F of the Exchange Act.

The Committee should report regularly to the Board (i) and review with the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors or the performance of the internal audit function, (ii) following all meetings of the Committee regarding the matters discussed and considered at such meetings

and (iii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities.

MEETINGS

The Committee should meet as often as deemed necessary or appropriate in its judgment, generally at least four times each year, either in person or by phone and when necessary or desirable, may take action by unanimous written or electronic consent. A majority of the total number of members shall constitute a quorum at any meeting of the Committee, and the act of a majority of the members present at any meeting at which there is a quorum shall be the act of the Committee. Any member of the Committee may call meetings of the Committee. The Committee shall meet with the independent auditors and management at least quarterly to review the Company's financial statements. Directors who are not members of the Committee may attend meetings of the Committee and may participate in discussions at those meetings but may not vote. Additionally, the Committee may invite to its meetings any member of management of the Company, representatives of the Adviser and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may meet separately on occasion with each of management, representatives of the Adviser, the independent auditors and internal audit staff to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. Any action of the Committee (other than actions for which the Committee has sole authority as set forth herein) may be subject to review and modification by the Board. Minutes will be kept of each meeting of the Committee and will be available to each member of the Board.

PROCEDURES

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems necessary or appropriate. In this regard, the Committee shall have the sole authority to engage and terminate independent counsel and other advisors, as it determines necessary or appropriate to carry out its duties, including the authority to approve the fees payable to such counsel or advisors and retention terms, without obtaining the approval of the Board or management. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and any advisors that the Committee chooses to engage, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

PERFORMANCE EVALUATION

The Committee should periodically perform a performance evaluation of the Committee, including an assessment of the performance of the Committee based on the duties and responsibilities set forth in this Charter and such other matters as the Committee may determine. The evaluation shall be undertaken under the supervision of the Nominating and Corporate Governance Committee in accordance with the Corporate Governance Guidelines adopted by the Board. The Committee should periodically review and assess the adequacy of the Committee Charter and, if appropriate, propose any recommended changes to the Board for review and approval by the Board.

LIMITATION OF AUDIT COMMITTEE'S ROLE

While the Committee has the oversight responsibility set forth in this Charter, it does not have the duty to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditors. In addition, the Committee recognizes that the Company's management, internal audit staff and the independent auditors devote more time to reviewing or analyzing the Company's business and its operations and, as a result, have more knowledge and detailed information concerning the Company than members of the Committee. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the quality or adequacy of the independent auditors' work or performance.
